ORANGE COUNTY

Welcome to Bayside Orange County!

As you get to know who we are and what we're about, we hope you'll find that you have a place to belong here. Whether you've been searching for the right church for a long time, or this is your first experience, Bayside is a church where your future is always bigger than your past. All week long, we offer something for everyone in every stage of life. With passionate teaching, powerful worship, and opportunities to connect, our Sundays will leave you reenergized in your faith. As you'll see here, we don't take ourselves too seriously - we like to have tons of fun, but we do take God seriously. We hope you'll join us - we can't wait to connect with you!

We believe healthy things grow!
As a result, our church is quickly multiplying.

WHAT WE DO

REACH WIDE

TEACH DEEP

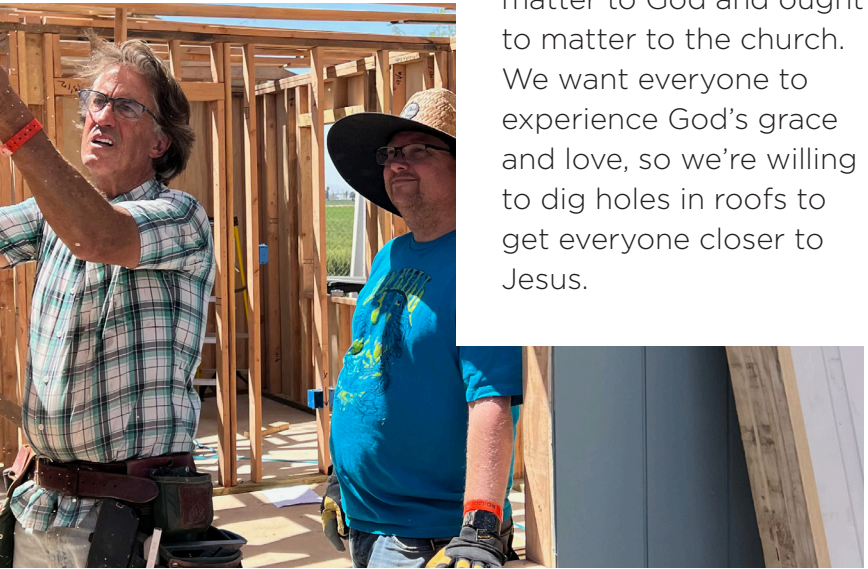

UNLEASH COMPASSION

REACH WIDE

We believe all people matter to God and ought to matter to the church. We want everyone to experience God's grace and love, so we're willing to dig holes in roofs to get everyone closer to Jesus.

A photograph of a diverse group of students in a classroom. They are seated in rows, looking towards the left side of the frame. The lighting is warm and focused on the students in the foreground. Some students are holding notebooks and pens, suggesting an active learning environment. The background is slightly blurred, emphasizing the students in the foreground.

TEACH
DEEP

We believe that practical, relevant teaching is the catalyst for transformation in individuals' lives. We teach the truth of Scripture weekly, knowing it is our authority regarding Christian beliefs, our guide for Christian living, inspired by God and completely accurate.

UNLEASH COMPASSION

We believe the church should impact its community. We're passionate about empowering the local church body to reach the world for Christ both in our communities and around the world and through partnership, prayer, and participation.

We believe that kids and teenagers matter to God and ought to matter to the church.

STUDENTS STUDENTS STUDENTS

At Bayside Students, we exist so that every student is KNOWN by a caring adult. Every middle school and high school student understands they are VALUED by Christ, for His Kingdom. We create environments and host events so every student is CONNECTED to the local church to impact their schools, community, and world for Christ.

WOMEN

Our hope is for every woman who visits Bayside OC to be able to come as they are and become who they are meant to be! With or without make up. Wearing their Sunday best or workout gear. On time or late... Bayside is for all women to know they can show up as they are, and then, better together than alone, they can discover, with sound Bible study and vibrant community, how to become together!

MEN

Here at Bayside, we believe men are high octane individuals who have the ability to shape the future of our homes, business communities, and neighborhoods. Of course, this doesn't just happen overnight. It requires making strategic decisions to get involved!

MARRIED LIFE

Bayside Married Life groups and community exist to strengthen marriages, and encourage and equip parents with the tools to become intentional Christ-centered families.

GROUPS GROUPS

We are big enough to make a difference, but we are small enough to be your family.

Here at Bayside, we believe in groups. We believe in community. We believe in transformation through relationships. We believe every person on every campus should be connected to a group of people who encourage and support each other in their spiritual journey and in the day-to-day challenges of life.

thrive7 LEADERS

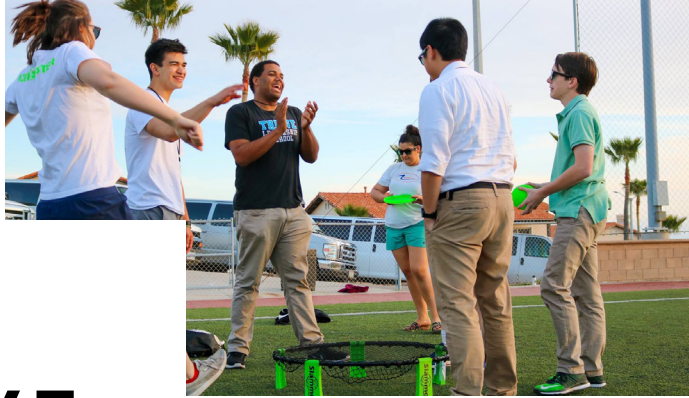

The idea behind Thrive was to take a leadership conference, a spiritual growth conference, and a comedy show and cram them all together. Our goal was for people to be encouraged and motivated to go back to their churches, families, workplace and schools and go to the next level. The first leadership conference was held in the Spring of 2000.
